\$68/set

C2 type
Raw edge

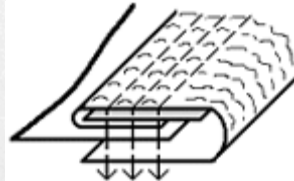

The special tension controller on FKHF62C2 can separate the operation of tension adjustment and the open and close of device. By setting a fix tension, it can solve the drawback of inconsistent tension after the device open and close.

\$68/set

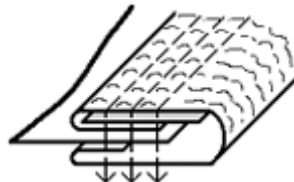

AE type
Single Fold with Elastic

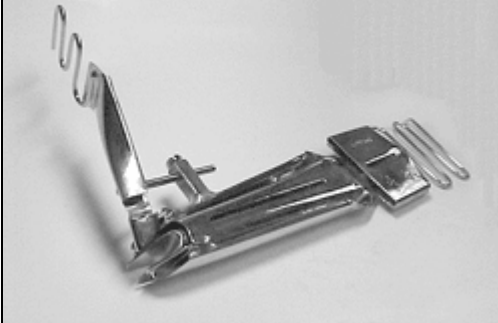

Elastic	Tape	Finished
1/4"	15/16"	5/16"
5/16"	1-1/8"	3/8"
